

**URBAN CORPS  
SAN DIEGO COUNTY**

CONSERVATION CORPS AND CHARTER SCHOOL

## **Earn Money for your School or Organization by Recycling your CRV & E-waste with Urban Corps!**

Urban Corps is a local non-profit offering **RECYCLING SERVICES TO HELP YOU RAISE MONEY** while meeting your waste diversion goals. We provide green job training to youth through recycling services to Qualcomm Stadium, SDSU Greeks, Earth Fair, and over 200 schools, organizations, and events in San Diego. [We want to help you start a recycling program too!](#)

### **Host an E-waste event!**

Once you schedule an E-waste event, Urban Corps will help you promote it with flyers, banners, and social media outreach. We will also provide event staffing. A portion of proceeds are returned back to you. Top producing schools and organizations earn between \$300-\$400 per event. You can also request CRV recycling bins and collection for your E-waste event and raise extra funds.

### **Start a CRV Collection Program!**

We will provide bins, collect and sort your recyclables, then donate 100% of the deposit money for all CRV materials, giving it directly BACK TO YOU to use however you want! Bins are picked up once a month (or as needed) and you will receive a donation check twice annually. Top producing programs earn \$3000/year.

**For more info or to sign up: Contact Urban Corps' Recycling Manager at (619) 235-6884 or email: [recycling@urbancorps.org](mailto:recycling@urbancorps.org)**

*By partnering with Urban Corps you are supporting our mission of providing job training and education to young adults. Urban Corps is an equal opportunity employer. **Please Visit [WasteFree.org](http://WasteFree.org) or [CalRecycle.ca.gov](http://CalRecycle.ca.gov) for more information about other recycling including used oil and waste tires.***
